

WANT A DUNGEONFUL OF ELEGANT, PROFESSIONAL-QUALITY, CUSTOM FETISH GEAR? START HERE!

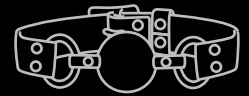

Far beyond the same old do-it-yourself fetish clothing and equipment, **THE ARTISAN'S BOOK OF FETISHCRAFT** contains complete patterns and instructions for dozens of projects — everything from simple cuffs and blindfolds to never-before-shown luxury items including full-body zentai, custom lace-up hoods, professionally plaited and weighted floggers and singletails, and body harnesses for all genders. Each project includes a detailed pattern with complete instructions for tailoring it to fit the wearer's or user's physiology and fantasies.

*"Huxley's essential reference guide is beginner-friendly, but suitable for serious crafters wanting to produce high level clothing and equipment. Saves you money too!"*

— Tim Woodward, Publisher, *Skin Two*

*"There is something intensely magical about garb and gear that you create yourself. This book will reside permanently on my bookshelf."*

— Race Bannon, author, blogger, educator and activist ([bannon.com](http://bannon.com))

Ball gag, Ch 5

*Author John Huxley has applied his background in physics and mathematics, and his experience in manufacturing, to creating patterns and schematics that can be adapted to a wide variety of body types, interests and desires. A lifelong woodworker and crafter, he lives in Canada with his wife and family.*
